Dear Residents and Families:

This letter is to update you on the positive COVID-19 cases in our facility.

Van Buren Health & Rehab has one additional resident that has tested positive for COVID. We still have one staff member who have tested positive that remains on 14-day self-quarantine away from the facility until they've met the criteria to return to work based on current guidelines. Our facility is in communication with the Arkansas Department of Health and following facility protocols to ensure the safety of staff and residents.

- Cumulative total positive tests for residents: two (2)
- Cumulative total positive tests for staff: one (1)

We will continue to make weekly updates via the website as it relates to our positive COVID-19 cases until resolution. Thank you for your support! Should you have any questions, concerns or issues, please feel free to contact your administrator.
